WELCOME SAINTS

Although tonight we meet as friendly rivals, we wish to take this opportunity to welcome our guest, Saint Augustine, to the Metro League Carnival. Our past associations have always displayed the friendliness and good sportsmanship that our schools strive for. We know tonight will repeat these past performances.

Helix High School

STARTING LINEUP—Left to right: Manser, Preston, Walton, Raper, Robertson, Shocklett, Steel, Stubbs, Harlick (c).

East . . . GROSSMONT

Grossmont's new football coach, Ken Maynard who hails from Brigham Young University, is faced with the tremendous task of building the 1955 Foothillers into a formidable grid machine. Heavy losses through graduating and the second division of the student body in the past five years, which has resulted in the formation of Helix and El Cajon High Schools, has depleted the ranks of football talent at Grossmont.

In spite of the division in the Student Body, Grossmont's football prospects for 1955 are not entirely dark. Approximately 70 football candidates which include outstanding lettermen as Lowell Raper, end; DeWard Manzer, back; Ed Porter, back; Jim Walton, back; Kirt Hardick, end, and Ed Burke, guard, have reported to Ken Maynard and his capable assistants Bob Robinson, Bob Muller, Lee Thompkins and Art Preston.

Displaying high morale and outstanding spirit the 1955 Foothillers indicate every promise of becoming worthy contenders in Metro League Competition.

RETURNING LETTERMEN—Front row (left to right): W. Cassity, W. Stephens, A. Bush, J. Langston. Back row: R. Provence, C. Long, J. Nerat.

**COACH

... West CHULA VISTA

Metro League and S.C.I.F. champions for two consecutive years, the Spartans of Chula Vista High; with eight returning lettermen, excellent coaching from Head Coach Chet DeVore and Line Coach Bob Geyer; should field a definite contender for the Metro League crown.

The eight returning lettermen who will form the team nucleus are: guards, Arton Bush and Bill Stephens; tackles, Wayne Cassity and Jeff Langston; center, Cliff Long;

and backs, Dave Morrison, Jim Nerat, and Ross Provence. The remainder of the squad will come from varsity holdovers and members of the 1954 "B" team.

The Spartan team will again operate from the T formation and depend on its running game for its main offensive threat. The big problem of the coaching staff is to replace S.C.I.F. quarterback Bob Franklin. The loss of 10 other All-Metro League players leaves a complete rebuilding job to be accomplished.

WELCOME . . .

The schools of the Grossmont Union High School District are proud to be associated with the schools of the Sweetwater Union High School District in the Metro League and in this carnival, where color, pageantry, music, drill and athletic teams are combined in one fine display.

The past relationships between the schools in our league have been characterized by keen competition and fine sportsmanship. This can be continued and extended through the cooperative efforts of parents, fans, players, coaches, and administrators. The future of the league will depend on how each accepts the challenges and opportunities ahead.

We should all aim at the highest quality of sportsmanship and play. In these areas there can be no overemphasis.

. . . GREETINGS

The 1955 Football Carnival provides another opportunity for the members of the Metro League and their guest, St. Augustine High School, to demonstrate once again the friendly rivalry and the clean sportsmanship which have characterized the relationship of these schools for many years. The traditional annual football contest between Grossmont and Sweetwater High Schools has always deserved and held the loyal support of students, alumni and friends of both schools. The more recent annual Football Carnival plan permits the newer high schools of both school districts, along with the two original high schools, to be represented by their football teams, bands, pom-pom girls and marching groups, in a joint enterprise which, likewise, deserves and holds the interest of us all.

It is a sincere pleasure for me to extend greetings to the representatives of all of the participating high schools. I know that each of you will do your best to demonstrate the school spirit and sportsmanship of the school you represent. I know of no finer example of the healthy interest of you young people in worthwhile teamwork and school spirit than you will show to the public during the Carnival. May I wish for Grossmont, Sweetwater, Helix, Chula Vista, El Cajon and St. Augustine a pleasant evening of association together.

... West SWEETWATER

Tonight the Sweetwater Red Devils face their opponents the Helix Highlanders with eleven returning lettermen. Our team is composed of juniors from last year's B team. Fair speed and average balance are the strongest features of Sweetwater's attack.

The football picture is brightening this year in Sweetwater after last year's season that produced a scrappy, fighting team but only one victory, and an overall of four wins and five losses.

This position is definitely going to be improved.

COACH OTTERSON

COACH FIELDER

PROBABLE STARTING LINEUP—Coach Otterson has placed high hopes in his varsity squad.

East . . . EL CAJON

The first football team in El Cajon Valley's history has a great task ahead. It must enter into league competition in a good league against fine opponents during the school's first year of existence. There has been no time for building up a team or a system. Some of the squad members were on Grossmont High School's 1954 squad. However, no one letterman from that school is enrolled at El Cajon.

In spite of some adverse conditions El Cajon "Braves" do not plan to "play dead" for anyone this year.

We welcome the opportunity to compete against our many fine opponents.

St. Augustine Squad—Eligible players for varsity football who reported for practice.

**COACH
CARTER**

**COACH
GALINDO**

... West ST. AUGUSTINE

Saint Augustine as the guest school joins the Sweetwater district and enters the game with sixteen returning lettermen and its new coach, Tom Carter, making his debut. Assisting Carter are coach Galindo who has been with the Saints three years and Red Reilly another new addition to the coaching staff.

Backfield hopefuls for the coming year are veterans Mascari, Lopez, Hurtado, Aguirre, Rodriguez, Malanga, Dapper, and Oliver. Up front the Saints are counting on veterans Luna, Meulmester, Murillo, Froehlich, Bought, Vaverde, Murphy, and Cunningham, to give them a successful season.

Following the carnival the Saints must face in rapid succession La Jolla, Helix, Mission Bay, Point Loma, El Cajon, and Grossmont.
