THE OLD MUSKET GAME: A Brief History

Welcome, once again, to one of this community's great traditions--the rivalry game for "The Old Musket." This year marks the 62nd anniversary of the first game between GHS and HHS.

East San Diego County's oldest high school sports trophy, the "Old Musket" symbolizes the honorable struggle between two brother institutions, the elder Grossmont High (1920) and its first district sibling--Helix High (1951).

Since the first matchup on November 2, 1951, this local community rivalry game has held a special place in the memories of all players, coaches, parents, alumni, faculty and fans--whether their team had won or lost that year.

The original "musket" came from the family of Jack Campbell, Helix High School's first senior class president, starting halfback and 1952 Class valedictorian. Campbell's father Sidney had inherited the 19th century antique firearm, sometimes referred to as "Old Betsey" and the "Campbell Musket," and offered it to the schools as a perpetual trophy.

In the 1950's and the 1960's, the Musket Games were so popular that the contests were regularly scheduled for Aztec Bowl at San Diego State or Balboa Stadium downtown.

The Grossmont versus Helix game has seen many great matchups featuring outstanding players, championship teams and life-long memories that have fed local history and legend.

In many ways the Foothiller-Highlander rivalry is a celebration of the close-knit comradeship of good, clean, hard-fought competition.

ANOTHER ONE FOR THE BOOKS

Ron Wade, Gus, and Ed Stalder at the 1st Retro Jersey Game.

Thank You

Jim Newland, La Mesa Historical Society President, for having the vision of the Retro Jersey Game between long time rivals, Grossmont HS and Helix HS, and the La Mesa Historical Society for managing the fundraising campaign for both schools last year.

David Rodriguez of Copy-It for creating the design for the program.

All of the wonderful Grossmont High School alumni who have donated football programs and yearbooks to the GHS Museum, which enabled us to "take this trip down memory lane".

Thank you to Sharon Davis, sponsor of this program in honor of Bill Davis, Class of 1948, and past GHS Principal, a man who loved Grossmont.
